Ph.D. Student, Research Assistant & Teaching Assistant  
Computer Science

EDUCATION

Doctor of Philosophy (Ph.D.) in Computer Science 2023 — Jan 2027  
University of Queensland, Australia

Ph.D. project *Toward Memory-Efficient Recommender Systems*  
Advised by Prof. Hongzhi Yin and Dr. Rocky Tong Chen.

Bachelor of Computer Science (Honors) 2022  
University of Queensland, Australia

Honors project *PEP++: Improved Pruning-Based Embedding Dimension Opti-  
mization for Recommender Systems*  
Advised by Dr. Rocky Tong Chen.  
Awarded an **Honors Class I Degree (cumulative GPA 7.000/7.000)**.

Bachelor of Computer Science 2019 — 2021  
University of Queensland, Australia

Graduated with cumulative **GPA 6.792/7.000**. Major in **Data Science**.

High School Diploma 2016 — 2018  
Indooroopilly State High School, Australia

Graduated with **OP4** (Highest: 1, Lowest: 25).

## ACHIEVEMENTS

**Dean's Commendation for Academic Excellence — Bachelor of Computer Science (Hons)**  
**University of Queensland, Australia**

2022

Awarded to students who obtained a grade point average of 6.60 or higher in single semester.

**Dean's Commendation for Academic Excellence — Bachelor of Computer Science**  
**University of Queensland, Australia**

2019 — Jul 2021

Awarded to students who obtained a grade point average of 6.60 or higher in single semester.

**Cloud Computing INFS3208 Best Project Runner-up Award**  
**University of Queensland, Australia**

2021

Awarded for outstanding performance in INFS3208 Cloud Computing individual project competition 2021.

**Prentice Scholar 2020**  
**University of Queensland, Australia**

2020

Prentice Scholars are students whose academic performance sits within the top five percent of the undergraduate Computer Science and Information Technology cohort at The University of Queensland.

**Subject Prize Award – Information Processing and Technology**  
**Indooroopilly State High School, Australia**

2017

Ranked 1st in the Information Processing and Technology course cohort.

## SCHOLARSHIPS

**Australian Government Research Training Program (RTP) Scholarship**

2023 — 2026

**Google Research Travel Scholarship**

2024

**UQ International Onshore Merit Scholarship**

2022

## ACADEMIC WORK EXPERIENCE

### Applied Scientist Internship

Oct 2024 — May 2025

**Amazon, Australia**

Conducting research on the topic of *In-context Learning for Addressing User Cold-start in Sequential Recommenders* with the guidance from Dr. Julien Monteil, Dr. Vu Nguyen, Dr. Vuong Le and Dr. Paul Albert.

### Casual Teaching Assistant

Feb 2022 — present

**University of Queensland, Australia**

Tutoring course **INFS7901 – Database Principles** in Semester 1 and **INFS3208/INFS7208 - Cloud Computing** in Semester 2 each year. Offering practical & tutorial sessions weekly and responsible for assignment and exam paper marking.

### Casual Research Assistant

Sep 2021 — present

**University of Queensland, Australia**

Conducting research relevant experiments, data preprocessing, baseline testing and algorithm implementation in the field of **Explainable Recommender Systems**.

### Winter Research Scholar

Jun 2021 — Jul 2021

**University of Queensland, Australia**

*Dynamic Topic Modelling on Social Media* — Utilizing **Natural Language Processing (NLP)** techniques to model and analyze the change of trending topics on social media in relation to COVID-19 throughout the first 100-day period since the virus emerged. Project conducted under the supervision of Prof. Zi (Helen) Huang and Dr. Rocky Tong Chen. Project result visualization available at <https://topicvis.nifu.me/>.

### Voluntary Teaching Assistant

Dec 2019 — Jan 2020

**Dalu Primary School (大芦小学), Yulin, Guangxi 537000, China**

Teaching English and Information Technology courses to elementary school students. In charge of homework materials organization and marking.

## SOCIAL WORK EXPERIENCE

### Self-employed Courier Delivery Service

Dec 2020 — Feb 2021

**Brisbane, QLD 4000, Australia**

Contracting last-mile delivery orders with courier providers such as 1stEx® and CouriersPlease® in particular regions around the Greater Brisbane Region.

### Expo Helper

Jul 2017

**AAS Education & Student Services, Spring Hill, QLD 4000, Australia**

Assisting prospective students in answering any inquiries regarding further studies abroad. Assisting in student recruitment and encouraging prospective genuine students to apply to the institute on-site.

**Voluntary International Student Ambassador**  
**Indooroopilly State High School, Australia**

**Jan 2017**

Assisting new students at International Student Orientation and providing school tours for visiting delegates.
